GDT

GDT GLOBAL IT SOLUTIONS & SERVICES

GDT Simplifies Global IT Solutions & Services

Our international footprint, localized expertise and partnerships, and flexible, centralized account management capabilities ensure that anything GDT can do for you in the US, we can do globally. This means that you get efficient, cost-effective access to best-in-class worldwide IT services and solutions nearly anywhere in the world.

GDT

Worldwide Reach, Localized Presence

One Contact, One Contract

Benefit from a single point of contact, a single MSA, and comprehensive visibility and reporting.

Consistent Service Levels Everywhere

Experience seamless and consistent service levels and processes no matter where you do business.

Best-in-Class Resources

Access international resources such as project management teams, export and trade compliance experts, a multilingual quoting desk, and in-country experts.

Flexible Procurement Models

Choose from centralized and local-to-local procurement models to accommodate your needs and the country's limitations and challenges. GDT procures and delivers products and services from multiple OEMs.

Streamlined Global Logistics

Overcome international logistics and supply chain challenges. GDT has strategic shipping hubs and ships from the US to over 150 countries.
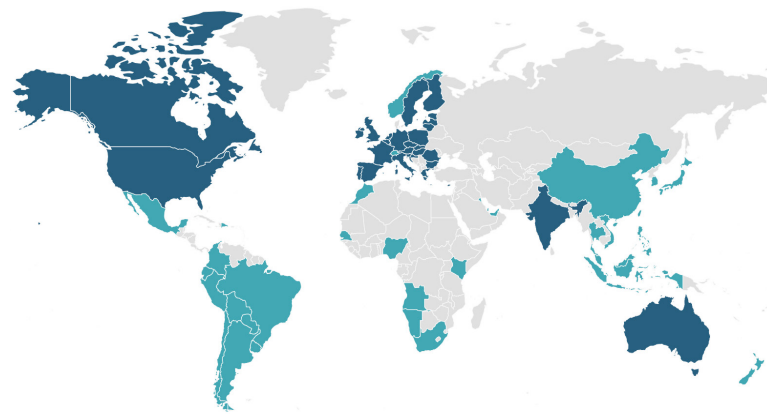

International Warehousing & Staging

Benefit from US staging and shipping support, strategic geographical shipping hubs, and white-glove export and implementation services.

Increased Regulatory Compliance

Rest easy knowing GDT ensures compliance with each country's regulations and laws, reducing the risk of penalties, fees, and delays.

Expert Project Management Support

Keep international projects on schedule and budget with professional project management support for deployments and implementations.
